ROCKY MOUNTAIN CHAPTER

**April 21, 2008
Board Meeting
MINUTES**

BOARD MEMBERS PRESENT: Aaron Fodge, Scott Miklos, Chris Hagelin and Brendon Harrington. **BOARD MEMBERS ABSENT:** Kirk Montgomery

- 1. New State Addition Vote:** Aaron reported that the members of the RMACT voted in favor of adding Nevada, North Dakota, South Dakota, and Nebraska into the Rocky Mountain Chapter. However, the existing Nevada membership voted to join a different chapter, leaving the other three states as new members of RMACT. The vote was not completely unanimous, given the legitimate concerns about whether those states are comparable and/or proximate to the Rocky Mountain Region. However, it was pointed out that no prospective members exist in any of the three new states, and the intention was to show the entire country assigned to a chapter. If new members emerge in any of the three new states, those new members would likely be able to choose whether or not they would wish to stay in RMACT.
- 2. Survey Teleconference:** Aaron has announced a RMACT chapter survey teleconference at 12:30pm on Wednesday May 14th. TDM professionals are always seeking new avenues to obtain data to support their programs. The teleconference will discuss chapter-wide surveying of our customers and will brainstorm what types of surveying could be accomplished through simple, web-based tools. Potential surveys may include entry surveys, exit surveys, employer surveys, and customer satisfaction surveys.
- 3. RMACT Peer Program Visit:** Aaron proposed a new RMACT initiative to periodically set up Peer Program site visits. These could be one or day site/area visits to learn more about programs and projects throughout the RMACT area. Salt Lake City has been specifically mentioned as a potential location. Aaron will pursue further in communications with the RMACT membership through a Zoomerang survey.

- 4. Website Update:** Aaron has created and posted the Chapter website at (www.rmact.org) that showcases a variety of relevant topics for the Chapter. Aaron is seeking assistance on website maintenance. Chris indicated he may have a willing staff person.
- 5. Adjourn:** The Meeting was adjourned at 4:00 pm, the Next Board meeting will be held on June 16th at 4pm via teleconference.
