

Association for Commuter Transportation

ROCKY MOUNTAIN CHAPTER

June 16, 2008
Board Meeting
MINUTES

BOARD MEMBERS PRESENT: Aaron Fodge, Scott Miklos, Chris Hagelin, Brendon Harrington and Kirk Montgomery

- 1. Site Visit Survey Results:** Aaron reported that the Peer Program site visit survey results were positive, with about a 33 percent response rate among Chapter members. Most respondents were interested in a site visit that would be a one or two day tour to learn more about programs and projects throughout the RMACT area. Both Boulder and Salt Lake City were specifically mentioned as a potential location. Respondents also indicated specific interest in marketing and TMA initiatives. Aaron will lead additional communications with interested RMACT members to finalize a potential peer program site visit.
- 2. Survey Teleconference:** Aaron informed the board that the RMACT chapter survey teleconference held on Wednesday May 14th went well and included six chapter members. The teleconference discussed chapter-wide survey coordination using online web services to collect results. One topic of interest was vanpool performance statistics. Aaron will be building a survey that the board will have the opportunity to review.
- 3. RMACT Newsletter Topics:** The next RMACT newsletter will be drafted soon. In addition to the Peer Program site visit and survey teleconference, Aaron solicited ideas for additional topics. Brendon suggested that the Downtown Denver Partnership may wish to highlight their activities and initiatives surrounding the upcoming Democratic National Convention to be held in Denver in August. Brendon will follow up with Aylene Quale of DDP. Chris also suggested an article on peak oil and gas prices influence on TDM. A potential survey could be included as part of this. If there are additional topic ideas, let Aaron know, the target for newsletter preparation is the first week of July.
- 4. 2008 ACT International Conference :** The 2008 ACT international conference

will be held in Atlanta in August. Aaron will send out communications to RMACT members about the annual member meeting and chapter dinner. Brendon will ask his Atlanta colleagues for a potential restaurant recommendation and Chris will coordinate with Julie to identify RMACT members who are speaking at conference sessions to raise awareness of their presentations to RMACT members.

- 5. Adjourn:** The Meeting was adjourned at 4:00 pm, the Next Board meeting will be held during the ACT International Conference.
