

ROCKY MOUNTAIN CHAPTER

**May 2, 2006  
Board Meeting  
MINUTES**

---

**PARTICIPANTS:** Lynn Rumbaugh, Scott Miklos, Allison Billings, Sabra Jane Basler and Brendon Harrington

- 1. ACT National Update:** Scott updated the board on the recent ACT National Board Meeting. They decided that Seattle will host the 2007 ACT National Conference. They also discussed and approved a \$75 dues increase for ACT Members beginning in 2007. There will also be seats that are open on the National board. Lynn will email RMACT members to solicit nominations for those positions.
- 2. RMACT Regional Conference Discussion:** Given that the 2007 ACT National Conference location will be in Seattle, the board discussed next steps on potentially hosting a regional conference in the Denver/Boulder area. This will allow RMACT to showcase the positive transportation and land use changes in Denver over the past decade and to earn income for the chapter. Lynn will send an email to the RMACT membership to test interest in attending a regional conference as well as assistance in regional conference planning..
