RMACT's *New Frontier: Pioneers in Moving People* conference was a great success! The event, which took place from April 12-13 in Denver, hosted over 100 attendees from around the country.

Participants enjoyed a wide variety of speakers, break out sessions and tours as well as the chance to network with colleagues from locations as varied as Washington State, Washington D.C., Texas and Montana. Evaluation forms rated the event positively and indicated high interest in attending future conferences hosted by RMACT.

The RMACT chapter earned a total of \$10,000 by hosting this event. This profit will be used to fund chapter services and events including scholarships for the upcoming National Conference in Seattle (see story below). Many thanks to all conference committee members and sponsors for making this event a great success!
